Real Estate　Live Demo Link　Github Repo Link

Html　CSS　Javascript　React

- Designed and developed a responsive real estate website using HTML, CSS, and JavaScript.
- Utilized version control system Git to maintain and track changes throughout the development process.

Experience

Ashad Medical Store | Pharmacy Assistant
Feb 2017 - Jun 2019

- During my tenure as a Pharmacy Assistant for 1.5 years, I played a pivotal role in ensuring the smooth operations of the medical store. My responsibilities encompassed meticulous inventory management, conducting routine stock checks, and implementing efficient restocking procedures. I provided exemplary customer service, offering assistance on medication-related inquiries and ensuring a positive customer experience. Additionally, I actively participated in the accurate and timely processing of prescription orders, collaborating closely with pharmacists. ess of the medical store.
